

## **BF—School Board Work Sessions and Retreats**

Work sessions and board retreats may be called whenever necessary. At work sessions the Board will meet as a committee of the whole and will take no official action, only receiving additional information on items of Board interest.

Board retreats will be held for the purpose of professional development, of hearing reports and suggestions of the Administrator and his staff, and for exchanging information and viewpoints concerning the operation of the School.

Both work sessions and retreats will be open to the public. It is at the Board's discretion whether to receive public comment.
