

## **CC—Administrative Organization**

It is the Administrator's responsibility to organize, reorganize and arrange the administrative and supervisory staff of White Pine Charter School in a fashion, which in his/her judgment, best serves the interests of the students, staff, Board, parents, and surrounding community.

The organizational structure of the School shall be illustrated by a chart. The chart represents the direction of authority and responsibility. The chart shall be regarded as visual representation of contracted authority and responsibility for each line and staff position.
