

CF—School Building Administration

Chief Executive Officer

The Administrator is the chief executive officer of the school. Under the direction of the Board of Directors, the Administrator is charged with the complete administration, supervision, and operation of the school and its educational program. All employees shall report to the Administrator through the appropriate chain of command. The Administrator directly reports to the Board of Directors.

Leadership and Administration

It is the Administrator's responsibility to lead the school within the framework of its charter and the policies of the School Board, State Board of Education, and the Idaho Charter School Commission. The building administrator's major responsibility is the improvement of the teaching-learning practice; his/her goal is to provide for the continued improvement of the total educational process.

Shared Responsibility

The Administrator is the chair of the management team and works with line and staff members in the administrative, supervisory, instructional program, staff development, student achievement, and community outreach processes.
