

## **DD—Funding Proposals, Grants, and Special Projects**

Grants accepted by the Board are subject to accounting rules and regulations as set forth by the Charter School Commission and the Idaho State Department of Public Education.

Grant proposals for external funds shall be submitted to the Administrator for fiscal evaluation and determination of availability and/or system of funding. All grants, funding proposals, etc. must be approved by the Administrator prior to submission.

The Administrator shall keep the Board updated as to the progress of attaining additional funding from various grant opportunities as they arise.

The Board reserves the right to reject funds associated with any grant that has been approved.
