

EA—Support Services and Goals

The Board recognizes that the daily support service operations of the School are essential, yet auxiliary, to the primary educational goals of the School. To ensure that the support services contribute to the achievement of White Pine's educational goals in the most effective way possible, the Board intends to:

- Ensure the proper operation and maintenance of School buildings, vehicles equipment and services; set high standards of safety; promote the health of pupils and staff; reflect the expectations of the community and support environmentally the efforts of the staff to provide the highest level of instruction.
- Encourage, through the Administrator and staff, the establishment of efficient and appropriate procedures for the management of buildings and grounds, offices, vehicles, equipment, supplies and food services.
- Ensure the adherence to generally accepted management principles and applicable laws and regulations in implementing the responsibilities delegated to support service functions.
