

EB—Environmental and Safety Program

The Administrator will establish procedures to protect the safety of all students, employees, visitors, and others present on School property or at school-sponsored events.

The practice of safety shall also be considered a facet of the instructional plan of the School by virtue of educational programs in traffic and pedestrian safety, fire prevention, and emergency procedures, appropriate for students at different grade levels. General areas of emphasis shall include, but not be limited to: in-service training; accident record keeping; plant inspection; driver and vehicle safety programs; fire prevention; school site selection; and emergency procedures and traffic safety problems relevant to students, employees, and the community.
