

EBA A1—Reporting of Hazards and Warning Systems Procedures

The Administrator shall be the contact person for providing information regarding pesticide application activities at the school, including but not limited to giving oral and written notification, supervising the posting of notifications as required, and maintaining records of pesticide-application notifications.

Oral and Written Notice

All oral and written notification shall contain, at a minimum, the date and time of the pesticide to be applied. During the *regular school session*, and not less than twenty-four (24) hours prior to pesticide application, notification shall be provided in the manner indicated below.

Oral notification to all students and school employees shall be provided by means of:

- School public address systems; *or*
- Assembly communications; *or*
- Staff meeting announcements; *or*
- Any similar means reasonably calculated to provide sufficient notice in advance of pesticide application.

Written notification to the parents or guardians of enrolled students shall be provided by means of:

- Weekly school lunch menus; *or*
- Special communications; *or*
- Newsletters; *or*
- Any similar means reasonably calculated to provide sufficient notice in advance of pesticide application.

Posting of Notice

No less than twenty-four (24) hours prior to pesticide application, signs shall be posted to identify pesticide application areas. The signs shall display:

- The words "warning—pesticides."
- The date and time of the application.
- A phone number for the school contact person.
- The signs shall be placed at:
 - The main entrance to all buildings where pesticide is to be applied.
 - Playing fields where pesticide is to be applied.

The signs may be removed no less than twenty-four (24) hours after the pesticide is applied.
