

EBB—Accident Prevention and Safety Procedures

Accidents are undesirable, unplanned occurrences which may result in tragic consequences; bodily harm; loss of school time; property damage; legal action and even fatality. To guard against such occurrences, the board intends for the School to take every precaution to protect the safety of all students, employees, visitors and others while on School property or at school-sponsored events.

The Administrator shall develop administrative procedures to meet the intent of this policy in areas that include, but are not limited to:

- Plant inspection;
- Fire prevention;
- Traffic and parking safety;
- Accident record keeping;
- Inclement weather conditions;
- First aid and emergency care;
- Bicycle and scooter use;
- Carpool; and
- Student supervision.
