

EBCD1—Weather-Related and Emergency Closings Procedures

Delayed Opening

If the Administrator decides to delay the opening of school, the local broadcast media will be notified, requesting that they assist in disseminating the information.

All staff members will report to School to assist in the supervision of students.

School Closing

If the Administrator decides to cancel classes for the day, local broadcast media will be notified and asked to assist in disseminating the information.

Early Dismissal

If the Administrator decides to dismiss school early, the procedure shown below will be followed for early dismissal of students:

- Students will be released from school only after the Administrator has ascertained that appropriate notice has been given to parents or guardians. Staff members may be released by the Administrator when they are no longer needed to supervise students.
- The Administrator will remain at the school until all students have departed.
