

EDC—Authorized Use of School-Owned Materials and Equipment

School equipment may be used by school or nonschool agencies and individuals for purposes that are not in conflict with any Idaho Revised Statute(s), federal or state rules or regulations, or Board policies, subject to the following:

- The School shall not incur any expense due to the use of materials or equipment.
- The Administrator shall establish procedures for approval of the use of materials or equipment, or shall submit requests to the Board for review and action.
- The School shall not be in competition with any local business firm that could provide like equipment.
- Rental fees will be charged or waived, as appropriate, by the School.
- Any person or agency using such materials or equipment that is lost or damaged during such period of use shall be required to reimburse the School for repair or replacement.
