

## CHARTER INFORMATION

### *Operation*

White Pine Charter School (WPCS) emphasizes student achievement and promotes high academic standards while serving as a school of choice. It offers team-teaching, extended school day, foreign language, uniforms and a specific knowledge-based curriculum to its students.

Today, White Pine Charter School serves Kindergarten through the 8th grade. In 2006, a permanent school facility was built at 2959 E John Adams Parkway in Ammon, Idaho offering 18 classrooms, a kitchen, library, commons area, office and gym. To meet financial obligations and address fluctuations in economic conditions, the Board of Directors will annually on or before April 30th hold a public meeting. The meeting will be held upon the completion of school re-enrollment and the public lottery to determine class size for the middle school and elementary classes. The enrollment capacity of WPCS is set at 500 students. Classroom sizes may fluctuate in the following manner:

1. A decrease in the Middle School population will increase the number of students enrolled in the elementary classes.
2. Increase in the Middle School will decrease the number of students enrolled in the elementary classes.
3. Vacant Middle school positions may be filled by enrolling students from other grade level waiting lists. Standard Classroom sizes will be as follows:
  - o No single Kindergarten classroom shall exceed twenty-three (23) students
  - o Standard level of the first grade classroom is twenty-three (23) students
  - o Standard level of the second grade class is twenty-four (24) students
  - o Standard level of the third grade class is twenty-five (25) students
  - o Standard level of the fourth grade class is twenty-five (25) students
  - o Standard level of the fifth grade class is twenty- six (26) students
  - o Standard level of the sixth grade class is twenty-eight (28) students
  - o Standard level of the seventh grade class is thirty (30) students
  - o Standard level of the eighth grade class is thirty (30) students
- Any classroom standard that is exceeded by (2) additional students may be provided an aide at the teacher's request for up to 1 hour per day.
- No single classroom in grades 1-8 shall exceed the standard as stated above by more than two (2) students.

White Pine Charter School will offer a half-day kindergarten program. Annually during the budgeting process and prior to the lottery, a financial feasibility study will be performed to determine the financial viability of a full-day kindergarten program. Based on the study, the Board of Directors has the option of offering a full day kindergarten program.

### *Potential Effects*

The potential effect of the White Pine Charter School is to provide the content rich curriculum of Core Knowledge in a small classroom setting. The curriculum is rigorous and broad in that it includes not only the core subjects of reading, writing and math but a sequential learning program in science and social studies. Teachers at the school are committed to high academic standards. The school is committed to develop students who are competent, confident, productive, and responsible young adults who possess the academic achievement, habits, skills, and attitudes to succeed in high school and be offered a post-secondary education and satisfying employment. This mission seeks to develop an educated citizenry through a dynamic and interactive academic program where pacing is driven by student capabilities, not textbooks. The dress code provides an environment where social economic differences become obscured. A written and signed disciplinary policy allows students to learn in a safe environment.
