

## **ABA—Parental Involvement**

### **School Administration, Faculty and the PFA**

Based on the philosophy of the School, it is the intent of the Board that parental involvement within the School be defined in the broadest possible terms and achieved working closely with the Parent Faculty Association (PFA).

Further, it is the intent of the Board, under such a definition, that the Administrator and PFA will, within the capabilities of the school staff, parental volunteers, and the financial limitations of the school and PFA, incorporate to the maximum extent possible a variety of activities, strategies, and mechanisms into the school structures that provide for the:

- active involvement of;
- active support to;
- effective interaction with; and,
- development of

parents as active partners in a student support team effort that will enhance the capacity of all students to reach their optimum potential.
