

AE—Accountability and Commitment to Accomplishment

The Board accepts ultimate responsibility for all facets of the school's operations. Because it is accountable to the patrons of the school, the Board will maintain a program of accountability that will help to accomplish the following objectives:

- Clearly state expectations and purposes as these relate to school operations, programs, and positions.
- Provide necessary resources and support to enable the professional and support staff to achieve stated expectations and purposes subject to financial resources.
- Evaluate school operations, programs, services, and instructional activities to determine how well expectations and purposes are being met.
- Evaluate the efforts of the employees of the school and of the Board itself in accordance with stated objectives. The first purpose of personnel evaluation will be to help each individual make a maximum contribution to the goals and objectives of the school.

The Administrator shall implement procedures to ensure continued progress and improvement of the school operations through a program of meaningful evaluations and assessments, including compliance with annual school-wide reporting requirements set forth by law.
