

## **BBBD—Removal from Office**

If a Board member misses four (4) consecutive regular meetings, the office of such a member shall be considered voluntarily vacated. Board members may also be recalled through the procedures set forth in state law.

Additional reasons may include:

- Death of the person holding the office.
- Insanity of the person holding the office, when judicially determined.
- The person holding the office ceases to be qualified for which he was elected.
- Conviction of the person holding the office of a felony or an offense involving a violation of official duties.
- Failure of the person elected or appointed to such office to file an official oath within the time prescribed by law.
- A decision of a competent tribunal declaring void the election or appointment of the person elected or appointed to the office.

Every public officer holding an elective office, either by election or by appointment, is subject to recall from such office by the qualified electors of the electoral district from which candidates are elected to that office.
