

BIBA—Board Member Conferences, Conventions, and Workshops

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate Board conferences, workshops, and conventions. However, in order to control the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

- The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the District.
- Funds for participation at such meetings will be budgeted on an annual basis. When funds are limited, the Board will designate which of its members would be the most appropriate to participate at a given meeting. With the prior approval of the Board, Board members may participate in meetings other than those authorized in the budget.
- When a conference, convention, or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations, and material acquired at the meeting.
