

CJ—Administrative Intern Programs

Internships

Internship positions carrying administrative responsibilities may be created by the Board of Directors, upon recommendation of the Administrator, for teachers and other persons who have had at least three years of satisfactory teaching experience. The title of the position will be "Administrative Intern."

Administrative interns may be employed in administrative positions for a period not to exceed two years. They will be encouraged to pursue graduate or other studies leading to full certification in administration.

The period of employment may be extended by the Board, if the Board determines that circumstances warrant an extension, and if the extension is specifically requested by the intern.
