

EF1—Food Services Procedures

The School food service program will comply with the following:

- Any student may eat in a school cafeteria.
- A student may bring a sack lunch; milk may be purchased.
- Meal prices for students and adults will be recommended by the food service supervisor, with approval by the Board, at the beginning of each school year.
- Under federal law, a school that operates on a commodity program is prohibited from serving free meals to adults or employees of the School from the commodity products. All meals for adults where federal commodities are used must be paid for when served.
- The cafeteria cleaning facilities will be used only for school-sanctioned purposes.
- Facilities used by outside organizations or individuals must have approval from the Administrator.
- If outside organizations or individuals use the food service facilities, a staff member must be on duty.
- The food service supervisor will develop in-service training programs, approved by the Administrator, for the food service staff.
