

GCK—Professional Staff Assignments

Staff Assignments

The Administrator will determine all professional staff assignments. Such assignments shall be based on the needs of the School and the unique skills and talents of individual staff members.

No right to grade or subject assignment shall be inferred from the standard teacher's contract. The Board defers to the professional knowledge of the Administrator and provides him/her authority to make the final decision in staff assignments.

Nothing in this policy shall preclude a staff member's ability to request reassignment.
