

## **KA—School, Community, and Home Relations**

### **Goals and Objectives**

The Administrator shall interpret the educational program to the school community and invite discussions and suggestions on important educational issues, and shall attempt, at all times, to represent the entire community rather than any single group or section. The School shall pursue the following school-community relations goals:

- Develop intelligent citizen understanding of the School in all aspects of its operation.
- Determine how the citizenry feels about the School and what it wishes the School to accomplish.
- Develop citizen understanding of the need for adequate financial support for a sound educational program.
- Help citizens assume a more direct responsibility for the quality of education the School provides.
- Earn the goodwill, respect, and confidence of the citizenry in the personnel and services of the School.
- Bring about citizen understanding of the need for the improvement and what must be done to facilitate essential change.
- Involve citizens in the work of the School and the solving of its educational problems.
- Invite the assistance, cooperation, and understanding of elected and appointed community officials and committees in the development of educational programs and facilities.
- Promote a genuine spirit of cooperation between the School and community in sharing leadership for the improvement of the community.
