Goods and Services Contributed

A person, group or organization may contribute goods or render services as full or partial payment of the user fee. The value of the goods will be determined by the School based upon established market price, trade-in value, posted prices or where these methods prove impractical, appraisal or barter may be employed so long as the procedure is advantageous to the School. The value of services rendered shall be based upon the hourly wages of a beginning employee of this School performing similar functions as determined by the School. Should disagreement between the contributor and the School occur as to the value of the goods or services offered, the School reserves the right to refuse to accept the offer.
